Material: 100% origin kraft paper lined with air cellular bubble

Features: custom-made, superior, shock resistance, eco-friendly, non-toxic

Style: custom design

Usage: post / mail / express packaging

Completely recyclable

Special function and design available

Postage savings due to light weight

Excellent shipping protection for a wide range of semi-fragile, low profile items

Provides maximum air retention and cushioning power

High-slip bubble cushioning material allows faster, easier product insert.

Kraft exterior presents an excellent surface for custom printing and pen writing

Pressure sensitive adhesive on the flap is quick and easy to close, self-seal and tamper evident.

Wide welding edges (10mm each side) offers additional strength and safety.

GREEN ENVIRONMENTAL PROTECTION

We choose high quality PE raw materials,
more environmentally friendly, just more assured
