Detail Introduction :

Semi-gloss paper sticker

The semi-gloss paper is widely used in 21st century. It has many advantages.

- 1.The surface of the paper smooth and the gloss is good.
 - 2.The paint is evenly distributed on the paper and shows the pleasant white..
 - 3.Coated paper with higher strength of coating, coating thin and uniform, no bubbles, appropriate amount of adhesive coating, to prevent printing process in paper shedding hair loss.
- It has been widely used in many industry packaging for perfect full color printing effect.
